Monday, April 9, 2018

The Udall City Council met for the regular meeting on Monday, April 9, 2018, at 6:30 p.m., at the city building. Mayor Brown called the meeting to order. Roll call was then taken with the following council members present: Michael Grahem, Randall Smith, Jason Tharp and Damon Wilson. Quorum established. BUSINESS FROM THE FLOOR: Six students attended from the government class at UHS.

Kenny Ault, representing K-15 Motorsports requested permission to use the demolition derby arena on Saturday, April 14 at 6:00 p.m. He also requested use of a trailer, sound system, generator, and employee Dennis White to run the bucket truck. Also, use of the city's credit card (to be reimbursed) for payment of the insurance required for the event. The group is renting the light system from D&D Equipment and will need the trailer to setup the lights and generator and the bucket truck to attach them to poles. It is currently estimated there may be as many as 50 participants. The organization is established as a non-profit and anticipate donation to community projects at year-end and scholarships in the future.
