PUBLIC HEARING CITY OF UDALL September 9, 2019

The Udall City Council met for the scheduled and published on Monday, August 12, 2019, at 6:30 p.m., at the Udall Community Building. Stephen R. Brown, Mayor, called the meeting to order. Roll call was then taken with the following council members present: Janette Adams, Michael Grahem, Randall Smith, Damon Wilson were present. Quorum established. Attendance sheet addendum to these minutes.

Mayor Brown welcomed the group and introduced David Devore, of BG Consultants. Mr. Devore presented a summary of the proposed outline of the structure and its uses. A copy of his presentation was also available for the public and is made a part of these minutes. The summarized information included the limited size of the current library, the need for a local health clinic in the area, and the fitness area that would be provided. The overall goal of the council is to continue the CDBG (Community Development Block Grant) application which will pay for one half of the structure's cost. The city's matching funds will be provided by a USDA low interest loan with a maximum 30 year payout.

Rose Mary Saunders also presented information on the grant process and how the timeline would move forward. A similar timeline in Mr. Devore's presentation included the application due to the state by November 1, 2019; award announcement February 2020; signed contract March 2020; Preliminary design plans June 2020; Advertise for bid September 2020; Award project September 2020; Proceed with construction October 2020; and substantial completion July 2021.

Discussion was held regarding the number of hours the new library would be open, with members from the Library board responding with their plan of part-time employment and volunteers.

MOTION: by Smith, second by Adams to adjourn the Public Hearing. All voted aye, motion carried.
